VETERINARY CERTIFICATE

Horse: Hallowed Crown x Lookin at Mars '17
Signalment: Bay yearling filly
Brands: Left shoulder = Roof over T over convex arc
Right shoulder = 14 over 7
Microchip: 985100012149555
Examined at: Tamac Stud Farm, Barn 8, Magic Millions, Morphettville, Adelaide

At the request of *Mr Jeremy Azzopardi* of Group One Thoroughbreds, a veterinary examination of the above horse was undertaken at the Magic Millions Complex, Morphettville, South Australia on the 13th March, 2019. The purpose of the examination was to provide a Veterinary Certificate for inclusion in the Product Disclosure Statement (PDS) for syndication by Group One Thoroughbreds.

Clinical Examination

The clinical examination included heart, ophthalmic eye examination, teeth examination, limb flexion and joint palpation which were normal. The examination also included a review of the radiographs for the above horse provided in the repository. The horse was examined at rest and at the walk. There was no evidence of previous abdominal surgery, infection or disease, lameness, laminitis or ataxia.

In my opinion, at this time, the Hallowed Crown x Lookin at Mars '17 presented as suitable for purchase as a racehorse as can be determined from the examination performed as described. Hallowed Crown x Lookin at Mars '17 is suitable for public syndication and mortality insurance.

I confirm that I do not have any current or intended future financial or other interest in the above mentioned horse, the proposed syndication or Group One Thoroughbreds and this letter may be relied upon by prospective investors who invest in the horse.

Yours sincerely,

Dr Chris Lawler BVSc

This certificate has been prepared for inclusion in the disclosure statement issued by the Syndicate and at the time of examination can be relied upon as a true document. The issuing veterinarian has no financial or other interest in the Syndicate or monies raised by the Syndicate. The examination was performed using EVA guidelines.
