2. BUSINESS OVERVIEW

2.1 Nature of the business

GOT is a horse racing company and has purchased one thoroughbred racehorse (the “Horse”) with the intention of managing its racing career, training and racing it. The Horse is 100% owned by the Company.

It is intended that the Company will operate for the career of the Horse, with an expected start date of 4th April 2022, to be extended at the discretion of the Directors or until the Horse retires or has been sold.

The Company intends to generate returns for the Shareholders by effectively managing the Horse’s racing career. This involves engaging and maintaining quality licensed trainers, ensuring the Horse remains healthy, and entering the Horse into appropriate races. The Manager is responsible for managing the Horse’s racing career. Any prize-money won by the Horse will be used in the first instance to pay trainer and jockey expenses. The remainder of the prize- money will be distributed to the Shareholders in the form of dividends. See section 6.4 for more information about the distribution of prize-money.

If an offer is made by a third party to buy the Horse from the Company, the Directors will consider, with consultation from the Manager and the trainers, whether the offer is in the best interests of Shareholders. If the Company considers the offer is in the best interests of Shareholders, Shareholders have a right of first refusal and have the option to purchase the Horse at the offered price.

If in the opinion of the Directors, it is not in the interests of the Shareholders for the Horse to continue to race in a particular class to which the Horse is referable, the Horse will either be sold, or if it is considered to be of no significant commercial value, retired and placed in a good home.

At the end of the Horse’s racing career, the Directors will consider whether the Horse will be sold or transitioned to a breeding programme and will make a recommendation to the Shareholders. A Shareholders’ resolution will then be passed to elect whether to sell the Horse or transition to a breeding programme. In the latter case, the Company may continue for the breeding life of the Horse. If there is no transition to a breeding programme, then the Horse will be sold. If the Horse is a valuable broodmare, it will either be sold through a public auction or to a bloodstock agent. Once the Horse is sold, the Company will be wound up. The sale money will be distributed to creditors and Shareholders in accordance with the Corporations Act.

2.1.1 Thoroughbred industry overview

The Australian racing industry makes a significant contribution to the national gross domestic product, employment and government revenue. The economic activity generated by thoroughbred racing and breeding alone contributes more than \$10 billion to the national GDP and, when included in the agricultural sector, is the fourth largest industry in Australia.

The horse racing industry is a mature industry with over 3,000 registered trainers and 800 jockeys. There are approximately 35,000 horses in Australia participating in about 19,000 races per year with prizemoney totalling \$600 million.

The below graphs show the number of races relative to the total pool of prizemoney, and the increase in the prizemoney pool up until 2018.

The industry is highly regulated. Companies and syndicates operating horse racing businesses are primarily subject to the Australian Rules of Racing administered by Racing Australia Limited. Each Australian State and Territory has a Principal Racing Authority which supervise and licence industry participants. Companies are also subject to the *Corporations Act 2001*. Regulations, racing rules and licensing requirements change from time to time, and the changes could result in the Horse not being able to participate in certain races.

2.1.2 Competitors

Direct competitors to the Company's business include:

- Yarramalong Racing Club Ltd;
- Hancox Racing No 8 Ltd;
- Racing Club No 1 Ltd; and
- Racing Club No 2 Ltd

These competitors run similar business models of acquiring, managing, training and racing horses. Horse racing syndicates also operate in the horseracing industry and are competitors to the Company. Syndicates similarly manage, train and racehorses throughout Australia and their horses may race in the same races as the Company's Horse.

2.1.3 Racing colours

The Horse will race in Group One Thoroughbreds' registered silks. The description of the registered colours is Orange, Black Group One Thoroughbreds Logo, Logo On Cap as follows:

Main Set of Colours -

Jacket – Orange, Black Group One Thoroughbreds Logo

Sleeves – Orange sleeves

Cap – Orange Cap with Black Group One Thoroughbreds Logo

2.2.2 The Horse selection process

The Company has purchased the Horse relying on the recommendation from Jeremy Azzopardi, Managing Director of Group One Thoroughbreds Pty Ltd and its bloodstock team. The main emphasis is to purchase horses that are correct and sound horses that are athletic. An invoice for the purchase of the Horse is attached to this Prospectus.

The Horse has had an independent veterinarian, Dr Chris Lawler, perform a clinical inspection. The veterinarian has provided a veterinary certificate (attached to this Prospectus) specifying that the Horse is suitable and fit for racing. The veterinarian certificate discloses that the veterinarian does not have any financial or other interest in the Company or the funds to be raised from the Prospectus.

2.2.3 Purchase of the Horse

Group One Thoroughbreds purchased the Horse from the Adelaide Magic Millions Yearling Sale using its credit facility. The Horse has been subsequently sold to the Company on credit terms offered by Group One Thoroughbreds (see section 2.6).

2.2.4 Current status of horse

The Horse is currently spelling at Cavallo Park Stud after being purchased from the Magic Millions Yearling Sale at Morphettville SA.

2.2.5 Horse naming and registration

The Horse is unregistered. The Horse will be named by the Shareholders and registered once the Shares have been issued in full. The Horse will be registered within 45 days of the Shares being issued in full. Each shareholder will have the option to submit 1 name. Once the list of names submitted by the Shareholders is populated by the Manager, the Manager will select the top 3 most popular names (in order of preference) and submit them to the Registrar of Racehorses for registration.

2.2.6 Pedigree details

The Horse's sire and dam are as follows:

- **SIRE – PARIAH** (By Redoute's Choice) Star juvenile & 3YO colt Pariah joined the Arrowfield roster in 2018 with an instantly familiar profile that marks him as a most-likely-to-succeed stallion prospect.

Leading sires Not A Single Doubt & Beneteau and the sensational Champion Sire Snitzel, he's a son of Champion Sire Redoute's Choice selected by Arrowfield for a stallion career. Like Beneteau and Not A Single Doubt, Pariah was bred by Arrowfield and proved to be one of the best juveniles of his year. Like Not A Single Doubt, Pariah won the ATC Canonbury S. G3, but did it on debut defeating subsequent Group 2 winner Menari by a length. Also like Beneteau, he placed in the MRC Blue Diamond S. G1, and was the first colt home, finishing second less than a half-length from Catchy.

He then returned as a Spring 3YO for a sparkling victory in the ATC San Domenico S. G3, a race also won by future Group 1 winners General Nediym, Charge Forward, Testa Rossa, Gold Edition, Foxwedge, Snitzerland and Japonisme.

Pariah was Timeform's second top-rated 2YO of 2016/17, given a figure of 118, just below Invader & She Will Reign (both 119), and ahead of Group 1 winners Summer Passage, Catchy, The Mission & Trapeze Artist. Bred on the exceptionally successful Redoute's Choice/Hussonet cross, Pariah is a three-quarter brother to two-time Group 1 winner Melito, from the prolific family of leading sire Zeditave.

- **DAM – RAVELIN** (by Congrats) Winner at 1300. Exceptionally well-bred hailing from a strong international family. Half-sister to Rerouted a 4-time winner 2 at 2 including a win at Group 3 level. She is also the half-sister to Critical Moment a 3-time winner 1 at 2 including a win at Listed Level. She is the Grandam of Rougeur a Listed winner also.

Ravelin is littered with Group 1 winners internationally and is a double cross of Mr Prospector.

A pedigree page for the above is attached to this Prospectus.

2.2.7 Mortality insurance

The Horse is insured with HQ Insurance for mortality, theft, life-threatening surgery and extension of cover from 16 March 2022 to 31 March 2023. The sum insured is \$39,800. A certificate of currency is attached to this Prospectus. Renewal of insurance is at the discretion of the Shareholders after the insurance lapses.

2.3 The Manager

The Manager of the Horse is Group One Thoroughbreds. The Manager is responsible for all aspects of the management of the racing career of the Horse, preparation of the Shareholders' annual accounts, the management of communications between the Shareholders and the stables, and the provision of all administrative services.

The Manager's responsibilities include:

- Regular communication with Shareholders by telephone, fax or email regarding training and spelling progress, and regular relay of Trainer's comments.
- Arranging open days for Shareholders to inspect their racehorses and be addressed by the Trainer.
- Provision of general day to day administrative services, provision of pursuing overdue accounts via phone call, email or post.
- Providing Shareholders with Race Day DVDs (where available, track work and other update reports such as nominations, weights, acceptances, pre-race summary, Race Day services, post-race summary review, organisation of disbursement of any trophies, representing the Company in relation to race day steward enquiries etc.)
- Arranging times and dates for Shareholders to inspect their horses at the stables or spelling properties.
- Assistance with Race Day ticketing where applicable.
- Maintain professional indemnity insurance.
- Naming and registration of the Horse.
- Transfers of ownership.

2.3.1 Manager's fees

The Manager is paid a flat fee of \$110.00 (incl. GST) monthly for every 2.5% share to cover all expenses (except extra ordinary costs in accordance with section 6.3.1). Each Shareholder is responsible for a portion of the flat fee in accordance with section 6.3.1.

In the event that a Horse is sold, the Manager is also entitled to a sale fee of 10% (plus GST) of the sale price.

2.4 Significant dependencies

The Company is dependent upon key services provided by the Manager (see section 2.3) and the trainers engaged to provide training services. More details are set out regarding the trainers below.

2.4.1 Proposed trainer/s

Cody Morgan is the proposed trainers for the Horse. A trainer's agreement between Kody Nestor Racing and the Company has been executed. A letter of consent to train the Horse from the proposed trainers is attached to this Prospectus.

The contact details are as follows:

Trainer: Cody Morgan Racing
Address: 28 Britten Road,
Taminda NSW 2340
Phone: 0427 462 463

Cody Morgan is an experienced young trainer based in Tamworth, NSW, the capital of country racing. He was a keen horseman from a young age, competing for years in a number of disciplines with much success. Cody began his professional racing career apprenticed to Craig Martin where he outrode his Country claim. He continued his career under the careful tutelage of Tony McEvoy at “Lindsay Park” in the Barossa Valley SA. During this time Cody was given the opportunity to ride some talented gallopers, none more so than Fields of Omagh during his 2003 Cox Plate campaign.

Rising weight featured heavily in Cody’s decision to turn his hand to training, gaining his licence in 2008.

He prides himself on the ability to present every horse in an immaculate condition on race day. That, coupled with his patience in placing each horse in its most suited races, has proven a great combination in having a winning strike rate upwards of 20% for the last.

2.5 Strategy and plans

The Company has been set up to purchase the Horse and manage its entire racing career. The Company is offering Shareholders the opportunity to receive any benefit of race winnings and potential future breeding revenue and proceeds (after expenses).

2.6 Finance arrangements

The Company purchased the Horse from Group One Thoroughbreds using a credit facility provided by Group One Thoroughbreds to enable the Company to pay the purchase price of the Horse and cover the running costs of the Horse until the Company has raised sufficient capital to cover these expenses. The terms of the credit facility are as follows:

- \$39,800 in borrowings available under the credit facility.
- Drawn down funds are not subject to interest.
- The credit facility is provided on an unsecured basis.
- The Company must apply future capital raised under the Offer to repay any amounts drawn down under the credit facility at which time the facility will be terminated.

2.7 Valuation

A valuation by a qualified bloodstock valuer does not accompany this Prospectus as the Horse was acquired by Group One Thoroughbreds at a public auction and there is no conflict of interest in relation to the purchase.

3. RISK FACTORS

3.1 Business risk factors

3.1.1 Horse racing risks

The following risks could impact the ability of the Horse to participate in races:

- Injury to the Horse in the course of its training or when participating in races;
- Sickness, disease or death of the Horse;
- The Horse could prove unsuitable for horse racing; and
- The cost of racing, including managing and training the Horse could increase leading to a reduction in any returns to Shareholders.

Horses can get sick, lame, suffer from disease, feeding disorders, pests or parasites and be unable to race or train for extended periods of time. As a result, the Company may incur significant unexpected expenses such as vet bills and rehabilitation costs. Injury or illness can affect any horse and can reduce or end a horses racing career or ability to produce as a Broodmare.

High class races have a much lower rate of injury than low class races. While this could be attributed to many factors, including the quality of the horse, economics, or medications, the trainer still must make the decision to run a horse or not to run a horse. Because leading trainers consistently get the best horses, injury rates by race class should correspond to injury rates by trainer.

Race Class	Career Ending Injury Rate	Career Ending Injuries	Starts
High	2.27%	553	243,854
Low	4.11%	2,566	624,265

Source: "Trends in Equine Mortality, 1998-2005"

https://www.aphis.usda.gov/animal_health/nahms/equine/downloads/equine05/Equine05_is_Mortality.pdf

If the Horse is unable to participate in a race, the amount of dividends payable is likely to be lower because there will be no prize money attributable to that race. If the Horse is no longer suitable for horse racing because it is permanently injured or suffers from sickness or disease, the Horse will likely be sold at a loss, and this will significantly impact the distributions Shareholders receive upon wind up of the Company.

3.1.2 Reliance on directors and key persons

The Company has no operating history and relies on the skills of the directors, trainers of the Horse and Group One Thoroughbreds to manage the racing career of the Horse. An investment in the Company is therefore heavily dependent on the directors and these other key persons.

The trainers of the Horse are engaged by the Company in accordance with the trainers' standard terms of trade. These standard terms allow the trainers to terminate for convenience on short notice. If this happens, the Horse may be left without a trainer until new trainers are engaged, and the terms of engagement may be on less favourable terms. However, it is likely that Group One Thoroughbreds can secure alternative successful and qualified trainers by using its existing networks and experience in the industry. There will also be delays in the Horse commencing its racing career, with a corresponding increase in expenses and no ability to win prize money for a period.

The Company's ability to effectively manage the Horse's racing career and perform the necessary administrative functions depends upon the performance and expertise of the directors and Group One Thoroughbreds. The loss of these key personnel, or any delay in their replacement, may adversely affect the Horse's performance or eligibility to participate in races, and this will have a negative impact on the amount of dividends to be distributed.

3.1.3 Downturn in horseracing industry

The state of the horseracing industry is largely correlated with the health of the domestic economy. If there is a downturn in economic activity, it is likely that the pool of prizemoney, the level of investment in the industry and the value of the Horse will decrease. This means that upon selling the Horse, the Company will receive less sale proceeds than if the state of the horseracing industry was healthier.

3.1.4 Changes in legislation and regulations

Changes in legislation and regulations such as the Australian Rules of Racing could affect the Horse's ability to participate in races, and therefore could affect the amount of Shareholder returns. In addition, the Company could be subject to additional legal or regulatory requirements if its business, operations or geographic reach expand in the future.

The Company is primarily subject to the Australian Rules of Racing administered by Racing Australia Limited. Each Australian State and Territory has a Principal Racing Authority which supervise and licence industry participants. The Company is also subject to the *Corporations Act 2001*. Legislation and racing rules change from time to time, and the changes could result in the Horse not being able to participate in certain races. This means the Horse will have less chance to win prize money, which will negatively impact on the amount of dividends available for distribution.

3.2 Investment risk factors

3.2.1 No guarantee of returns

Any person investing in shares in the Company should be aware that horse racing is a speculative venture with no guarantee of returns. A person subscribing to this offer should regard their shares as an entry in to racing horses for entertainment value rather than returns. There is also a risk to capital, for example, if the Horse proves unfit for racing, it may be sold off for a price less than its cost-plus ongoing expenses. The best pedigree and training also cannot guarantee a winning horse. The Horse could simply lack the desire or ability to perform at the necessary level.

3.2.2 Trading in Shares may not be liquid

As shares in the Company are not listed on any stock exchange, there is no liquid market for the shares.

Shareholders may sell their shares to a third party or an existing Shareholder. To facilitate this, the Company will maintain a register of the shares that any Shareholder wishes to make available for sale and will inform any prospective purchaser who expresses an interest. However, the Company is legally constrained from soliciting for purchasers on behalf of sellers or otherwise make a market for shares.

Group One Thoroughbreds Pty Ltd - Att: Jeremy Azzopardi

Po Box 9570 WYOMING NSW 2250

Dear Mr J. Azzopardi

RE: Training 2020 Pariah out of Ravelin filly

I, Cody Morgan, hereby agree to train the 2020 Pariah out of Ravelin filly from my stables at Tamworth for the syndicate being formed by Group One Thoroughbreds in accordance with my standard terms of trade.

I am excited to be training this filly for Group One Thoroughbreds. Pariah a son of champion sire and champion sire of sires Redoute's Choice. Star juvenile & 3YO colt Pariah joined the Arrowfield roster in 2018 with an instantly familiar profile that marks him as a most-likely-to-succeed stallion prospect.

Her dam Ravelin by Congrats exceptionally well-bred hailing from a strong international family. Half-sister to Rerouted a 4-time winner 2 at 2 including a win at Group 3 level. She is also the half-sister to Critical Moment a 3-time winner 1 at 2 including a win at Listed Level. She is the Grandam of Rougeur a Listed winner also. Ravelin is littered with Group 1 winners internationally and is a double cross of Mr Prospector.

Strong and good walking filly, plenty of hind quarter and shoulder to her. I think she's a sort of filly to get up and go as a 2YO, train on nicely as a 3YO. I was impressed by her physical stature. She's a really nice girl.

Group One Thoroughbreds, in my opinion have bought this at great value and I recommend her to any prospective buyer considering becoming an owner.

I look forward to having great success with her and this syndicate.

Regards,

Cody Morgan

VETERINARY CERTIFICATE

Horse: Pariah x Ravelin '20

Signalment: Bay yearling filly

Brands: Left shoulder = Lazy script h
Right shoulder = 1 over 0

Microchip: 985100012206636

Examined at: Henstep Thoroughbreds, Barn 9, Magic Millions, Morphettville, Adelaide

At the request of *Mr Jeremy Azzopardi* of Group 1 Thoroughbreds, a veterinary examination of the above horse was undertaken at the Magic Millions Complex, Morphettville, South Australia on the 16th March, 2022. The purpose of the examination was to provide a Veterinary Certificate for inclusion in the Product Disclosure Statement (PDS) for syndication by Group 1 Thoroughbreds.

Clinical Examination

The clinical examination included heart, ophthalmic eye examination, teeth examination, limb flexion and joint palpation which were normal. The examination also included a review of the radiographs for the above horse provided in the repository. The horse was examined at rest and at the walk. There was no evidence of previous abdominal surgery, infection or disease, lameness, laminitis or ataxia.

In my opinion, at this time, the Pariah x Ravelin '20 presented as suitable for purchase as a racehorse as can be determined from the examination performed as described. Pariah x Ravelin '20 is suitable for public syndication and mortality insurance.

I confirm that I do not have any current or intended future financial or other interest in the above mentioned horse, the proposed syndication or Group 1 Thoroughbreds and this letter may be relied upon by prospective investors who invest in the horse.

e. Management Fee (MF) – Group One Thoroughbreds does not charge a Management Fee.

f. Default – Should any Shareholder neglect payment of the Ongoing Expenses as described in Section F(a) of the RPA for a period in excess of fourteen (14) days, the following may occur:

- i. If payment defaults on or around the 1st of the month (when payment is due), Group One's Accounts Department will contact the Defaulting Shareholder via email, mail or fax to issue an Overdue Notice reminder for the failure of payment giving the Defaulting Shareholder 7 days to forward full payment of the outstanding amount. Should payment not be received within that 7-day period, a second Overdue reminder, requesting immediate payment and suspension of updates. Should payment not be received within that 7-day period a Default Notice, requesting immediate payment, will be issued via email or fax and a formal letter will be posted by the Syndicate Manager, giving the Defaulting Shareholder a further 7 days to make contact with Group One's Accounts Department to finalise their outstanding account. Should payment not

be received within that 7-day period, a Second Default Notice will be issued, giving the Defaulting Shareholder a further 7 days to make payment. The Shareholder must still pay their new statement by the 1st of the next month. Should payment not be received within that 14-day period, a Final Notice (Share Repossession Pending) will be issued via email or fax and a formal letter will be posted by the Syndicate Manager, giving the Defaulting Shareholder a final 7 days to make payment of the total amount owing. Failure to comply with the Final Notice (Share Repossession Pending), will result in proceedings by Group One Thoroughbreds to confiscate and take possession of the shareholdings of the Defaulting Shareholder to recover any outstanding debts, by means of sale of the shares by Public Offer. Without any further notice, the Defaulting Shareholder shall cease to be a Shareholder and will have no interest in the assets and income of this said Partnership. The Syndicate Manager has the right to suspend a Shareholder's entitlement whilst in default.

ii. Should the Defaulting Shareholder's payments fail 3 times within a 12- month period, then they may forfeit any rights and privileges of the Partnership and furthermore, the Syndicate Manager will have the right to sell the shareholding/s by Public Offer at the Defaulting Shareholder's expense to recover the debt of the Defaulting Shareholder. The Defaulting Shareholder will not be entitled to receive any compensation for the confiscated or repossessed interest in the Partnership or receive any further payment out of the assets or profits of the Partnership.

iii. Shareholders who pay their monthly fees via direct deposit are advised that should their payment be late over 2 consecutive months, they lose the privilege of paying directly and will be placed back onto our direct debit payment method which is a policy of Group One Thoroughbreds.

iv. If a shareholder defaults on payment and is overdue more than 30 days, interest at the rate of 10% per annum will be charged and invoiced in the following month.

v. The purchase and sale of the Share/s of the Defaulting Shareholder will be effective as soon as practicable after the price has been determined and the Syndicate Manager will execute as trustee of the Defaulting Shareholder all such documents and do all things as are necessary to complete such sale and purchase. The Shareholder in default hereby nominates, constitutes and appoints the Syndicate Manager under power of attorney to execute and implement procedures as will be necessary to sell, convey and assure a buyer the Share or Shares so sold.

Fees on early termination are payable up to and including the final date of the Shareholder's Ownership.

G. Ownership, Redemption and Withdrawal

Ownership

Each Shareholder of not less than 5% of the horse will be entitled to have his/her name appear in the racebook as a co-Shareholder of the horse. If a share is owned jointly by 2 or more people, the Syndicate Manager will be entitled to require those persons to, at their own cost, register an ordinary syndicate and to own the share in the name of that syndicate.

Each Shareholder hereby authorises the Syndicate Manager to do all things required to be done by a Shareholder in order to conform to the requirements of this Partnership Agreement and the Rules of Racing, including without restriction, authority to sign on behalf of the Shareholder all documentation required to be signed by the Shareholder and lodged with the Registrar of Racehorses to give effect to any application for registration of the Horse and/or transfer of ownership.

Redemption and Withdrawal

Shareholders in this Racing Partnership subscription must be aware that when purchasing a share/s you become the Shareholder of that said share/s. Shareholders are obligated for the life of the Syndicate as Shareholders of the share/s, and are not permitted to rescind on their obligations and must adhere to the Proposed/Estimated Ongoing Expenses and Other Obligations Section F of the RPA. Shareholders will have no right to have your shares in the Syndicate redeemed or bought back prior to the termination or winding up the syndicate.

Before purchasing a share, each Shareholder should consider the purchase of the share as a long-term investment for the life of the Syndicate. The Syndicate Manager will not be obligated to sell a share on behalf of the Shareholder. In the event that the Promoter or Syndicate Manager sells a share/s on behalf of a Shareholder, the Promoter/Syndicate Manager will be entitled to charge a practical commission in consideration for arranging the sale.

A Shareholder will not be able to offer for purchase, or issue invitations to buy Shares, unless the prospective purchaser is provided with a Syndicate Agreement prepared by the Syndicate Manager in accordance with the provisions of the Syndicate Agreement. There will be no ready market for the Shares.

The Syndicate Manager will not be obliged to sell a Share on behalf of a Shareholder. The Syndicate Manager can offer the existing Shareholders the resale of a Shareholders shares who is seeking to exit the Syndicate and upon reaching an agreement of resale price, Group One Thoroughbreds will be entitled to a 5% sales commission fee (plus gst) on the gross resale price. Group One or any affiliated or external participants may make an offer to purchase the existing

Shareholders share/s and if agreed upon by both parties, will take over the resale shares and the risk from the date of the Transfer of Ownership. Group One or any external participant may seek market to resell the share/s or keep and race the horse.

In the event that a shareholder has made the decision to leave or sell his/her share, they must first offer the sale of that share/s within the syndicate.

Fees on early termination are payable up to and including the final date of the Shareholder's ownership.

H. The Manager's Responsibilities

a) The Manager is Group One Thoroughbreds. The Director of Group One Thoroughbreds is Jeremy Azzopardi. The Manager is responsible for all aspects of the management of the racing career of the Horse, the management of communications between the Manager and the stables and will make decisions on behalf of the Shareholders pertaining to the Horse on offer.

b) The Manager shall be the first registered Shareholder in the Racing Partnership. The Manager's duties include:

i. Liaising with the Trainer and keeping all Shareholders current with the progress of the Horse.

ii. Keeping a register noting the names and addresses of each Shareholder and the number of shares held by each, the date on which the Shareholder entered in the Register of Racehorses and the date on which any person ceased to be a Shareholder.

iii. Notifying the Principal Racing Authority and Registrar of Racehorses in writing of every change in a Shareholder of the Racing Partnership, every change in the percentage of a Shareholder's Share in the Racing Partnership and every change in a Shareholder's address within a period of FOURTEEN (14) days of the change.

iv. Complying punctually in all respects with the requirements of the Rules of Racing, local Rules of Racing, the Principal Racing Authorities, the Registrar of Racehorses, ASIC and the Corporations Act 2001 from time to time in relation to the Horse and the Racing Partnership.

v. Representing the Shareholders in any official barrier draws, trophy presentations and any promotions/media events regarding the Horse.

c) The Manager may at any time give the Shareholders not less than one months' notice in writing of his/her intention to retire as Manager and will cease to have any rights and obligations as Manager from the date of that notice.

I. Distribution from Sale or Stud and or Breeding

In the event that the Horse is sold, a 10% (plus gst) sale fee of the sale price is payable by the Shareholders to Group One Thoroughbreds. (Should a valuation be required to determine the sale price, this will be acquired at the Shareholder's expense, by a bloodstock valuer who is a member of the Federation of Bloodstock Agents (FBA). Should the Horse go to Stud and or Breeding, Group One Thoroughbreds will be eligible to TWO (2) lifetime service rights per annum for the lifetime of the standing stallion and 5% (plus gst) of the sale price (only in the event of the horse being an entire and being retired to stud).

Irrespective of whether or not the Syndicate Manager, being Group One Thoroughbreds, is voted off as the syndicate manager of the Horse, Group One Thoroughbreds will have the right to negotiate stud and breeding of the said Horse of this Partnership Agreement.

End of the Horses career – Shareholders will vote to retire or sell the Horse. Group One Thoroughbreds has the discretion and first right of refusal to put together an offer to purchase the Horse from the Shareholders and/or give all Shareholders the opportunity to remain Shareholders in the partnership or sell or relinquish their shares.

J. Meetings/Decisions

i. In the event that the horse is a colt/entire and the horse needs to be gelded all shareholders must achieve a 51% majority vote (if the vote is tied, the Syndicate Manager has the casting vote) to keep the horse as an entire unless written expert advice is obtained by a veterinarian, trainer and the Syndicate Manager that the necessity of the horse requires to be gelded due to the well-being of the horse and safety of the track riders and training staff.

ii. The trainer, as stated in Section 2.3.1 of the Prospectus, is the first appointee by the Syndicate Manager. The Syndicate Manager will arrange for the trainer to train the horse and prepare the horse for training. The Syndicate Manager may at any time, remove the trainer and either engage the services of another appropriately licensed person to act in that capacity. The new trainer may be interstate and not within the same jurisdiction of the initial trainer. The Syndicate Manager will confer with all Shareholders with regards to a change of trainer before a decision is made.

iii. In the event that a Shareholder has made the decision to leave or sell his or her share, they must first offer the sale of that share/s within the syndicate. Under no circumstances is it the responsibility of Group One Thoroughbreds to sell the share/s on behalf of the shareholder. It is the full responsibility of the Shareholder to maintain their shareholding until such time that the share is either sold or relinquished. It is an ownership much like the purchase of a property or home and is for the term of the racing career of the horse.

iv. Group One Thoroughbreds can be removed or replaced as Manager of the Career of the Horse if a memorandum signed by the shareholders representing a majority interest in the Horse (that is, a vote by Shareholders with an interest of more than 50% in the Horse) votes for their removal. In the event where a Manager is removed or replaced, Group One Thoroughbreds will cease to provide the services referred to AR 63(2) of the Australian Rules of Racing. These services include:

- entering, nominating, accepting or scratching such Horse for any race;
- engage a jockey to ride such Horse for any race;
- receive any prize money or trophy won by such Horse; or

- act for and represent the joint Shareholders, lessees or Shareholders in relation to the Horse in all respects for the purpose of the Rules.

Group One Thoroughbreds will continue to act as Manager of the Syndicate to provide the remaining services expressed in Section H of the RPA. That is, the Manager is responsible for all aspects of the management of the racing Career of the Horse, preparation of the Syndicate's annual accounts for submission to the Lead Regulator, the management of communications between the Shareholders and the Stables, and the provision of all administrative services and trust accounts of the syndicate.

If Group One Thoroughbreds is removed as the Manager of the Horse, it does not give up its entitlements to the disclosed stud fee, breeding or sale fee as per Section I of the RPA.

Management of the Horse and the Syndicate will continue by Group One Thoroughbreds up until all shareholders have paid the termination fee in full. This early termination fee is enforced as a charge to compensate us for failure to satisfy the contract by the syndicate Shareholders.

We will not charge you an early termination fee if it is a result of a proven material breach pursuant to Section H of the RPA.

vi. A Shareholder or Shareholders who own not less than 30% of the Shares may either call a meeting of Shareholders or request the Syndicate Manager to call a meeting of Shareholders, upon giving at least 21 days written notice to the other Shareholders, the Syndicate Manager and the Racing Manager. In the event the Syndicate Manager receives such a request, the Syndicate Manager must within 14 days of receipt thereof, call a meeting of Shareholders, which must be held within 1 month of receipt of the request.

vii. A voting resolution binds all Shareholders, whether or not they participate. No objection may be made to any vote cast unless the objection is made at the time of convening. The decision of the Syndicate vote on any matter is final.

K. Prize-money Distribution

All prize-money won by the Horse will be deposited directly into the Shareholder's account by Stakes Payment. The Manager is not entitled to any of the prize money, breeders' bonus or incentive scheme payments.

In accordance with the Rules of Racing in Australia, prize-money is distributed to the Shareholders after remunerations are distributed to the trainer, jockey, welfare program and jockey insurance, and the withholding of any funds required to cover major race acceptances for which the Horse is eligible or nominated. The percentages are automatically determined by each state and may vary from State to State.

L. Trophies and Prize Distribution

In an event the Horse wins a trophy or an item that is not listed in the racebook with a dollar value, such as a saddle cloth or rug, the Manager will conduct a draw for all Shareholders to participate in. Once a Shareholder has won a particular item or trophy, they may not participate in the next draw until all Shareholders have had the opportunity to receive such an item or trophy.

M. Buy Now Pay Later (Interest Free Payment Plan)

Group One Thoroughbreds offers a Buy Now Pay Later (BNPL) interest free Payment Plan, which is similar to the likes of After Pay. This incentive enables Shareholders to purchase shares in the horse on offer, over 4 repayments.

How it works:

1. A 25% deposit of the Share Price is payable upfront on sign up.
2. The balance of the Share Price to be paid over 3 equal monthly instalments commencing the following month after the initial 25% deposit is paid on sign up.
3. Interest Free Terms

2. If an owner purchases their share between the 16th and the end of the month, their instalments will be due on the 30th of the following 2 months.

Default Schedule:
