Dear Mr J. Azzopardi,

**RE: Training Savabeel/Surveillance '22**

We, Gai Waterhouse & Adrian Bott, hereby agree to train the 2022 Savabeel out of Surveillance colt from our stables at Randwick for the syndicate being formed by Group One Thoroughbreds in accordance with our standard terms of trade.

We are thrilled to be training this colt for Group One Thoroughbreds. Savabeel has produced over 130 individual Stakes Winners and his progeny have won over 260 stakes races.

He ticks all the boxes. A great type, lovely head and eye and was rated very highly.

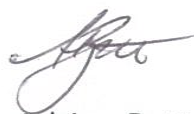

The dam Surveillance by Rip Van Winkle hails from of strong black type family. Her dam Starwatch was an extremely good racehorse in her time. A multiple black type winner and was awarded the NZ Bloodstock filly of the year in 2000.

We look forward to having great success with him and this syndicate.

Gai Waterhouse and Adrian Bott
