PIERRE CARDINNIGAN

PIERRO X DINNIGAN

Pierre's lineage is unmatched—sired by the legendary Pierro (AUS) and out of the stakes-placed mare Dinnigan (AUS). This "golden cross" between Pierro and Redoute's Choice is renowned in the racing world, producing Group 1 champions like Regal Power, Arcadia Queen, and Levendi. With a remarkable 75% winners-to-runners ratio and 15% stakes winners, Pierre stands out as a truly exciting investment.

Originally a \$380,000 yearling purchase at the 2022 Gold Coast Magic Millions, Pierre has been under the expert care of Australia's top regional trainer, Matt Dunn, since March 2024. His progress has been phenomenal, and he's shaping up to excel in his races over 1400-1600m.

Pierre Cardinnigan is rated A+ by True Nicks and G1 Goldmine identifies horses bred on this cross as being a 20/20 match and having a strong aptitude between 1200m – 2000m and improving with age.
