MAURICE (JPN) X COURTESAN (NZ) '24

This exceptional filly was secured from the highly regarded Glenbeigh Farm Stud draft at the 2026 Magic Millions Yearling Sale (Lot 192), in partnership with Phillip Stokes Racing.

She is a well-balanced filly with a fluent, purposeful walk – displaying all the hallmarks of a genuine Guineas / Oaks-style prospect.

Her pedigree is stacked with classic stamina and elite black-type depth. She is out of Courtesan (NZ), a daughter of Mastercraftsman from the Star Way mare Argante (NZ). And by elite international sire Maurice (JPN), whose Australian legacy is headlined by Hitotsu.

A rare opportunity to race a filly with classic credentials, residual value, and with a trainer widely respected for bringing fillies along the right way, maximising on-track performance and long-term value.
